

ANNUAL ADMINISTRATIVE REPORT OF CIVIL AVIATION DEPARTMENT HARYANA FOR THE YEAR 2011-2012.

Civil Aviation Department Haryana has been established with the objective of creating awareness about aviation and flying among the people of the State. The Department has set up the Haryana Institute of Civil Aviation (an autonomous body under the society Registration Act, 1860) with its training centres at Hisar, Karnal and Pinjore for providing flying, gliding and apprenticeship training of Aircraft Maintenance Engineer.

Following are the main activities of the department:-

- i) Construction of civil airstrips and helipads in the State, maintenance and development of existing airstrips with navigational facilities.
 - ii) Providing flying and gliding training to the boys and girls for obtaining Private Pilot Licence, Commercial Pilot Licence, Flight Instructor Rating on Aircraft and Glider and apprenticeship training for Aircraft Maintenance Engineers Licence
 - iii) Providing scholarship & concessional flying and gliding training to boys and girls of Haryana domicile and financial assistance to Haryana Institute of Civil Aviation.
 - iv) Procurement and maintenance of aircraft, glider and other avionics machinery and equipment.
 - v) Providing air transport services to the VIPs of the State.
- A) **Construction and Maintenance of civil airstrips/helipads.**

At present there are five civil airstrips in the State at Pinjore, Karnal, Hisar, Bhiwani & Narnaul in addition to two defence aerodromes at Sirsa and Ambala. Navigational aids such as non-directional beacons, ground radio stations and rotating beacons have been provided at these civil airstrips for providing navigational facilities to the trainer aircraft, VIP aircraft and other outside aircrafts. All these civil airstrips are being maintained properly and are operational.

B) **Providing flying, gliding and apprenticeship training for Aircraft Maintenance Engineers.**

There are three training Centers of Haryana Institute of Civil Aviation in the State at Pinjore, Karnal & Hisar where the training of flying and gliding is provided. NCC cadets also avail of this facility. The facility of gliding training is only available at Hisar and Pinjore but gliding training has not been provided due to non-availability of serviceable Glider. The facility of apprenticeship training for aircraft maintenance engineer is also available at all the centres.

The following are the achievements of flying and gliding during the period to 2011-2012 under report:-

Name of the Centre	Flying Hours		Gliding Launches	
	Target	Achievement	Target	Achievement
